Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications at 18 months from the date a claim is filed. The USPTO will delay the publication of an application that is made available to a defense agency under 35 USC 181 until no later than 6 months from the filing date or 90 days from the date referred to the agency. This application will be delayed for publication 6 months and the filing date of 90 days from the date referred to the agency. This delay is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a security order.
